My My!!! You've become a traitor haven't you!!! - Photo of Brian D. Hill with North Carolina General Assembly Senator Philip E. Berger, photo taken by USWGO Assistant. Date taken around March 13, 2012 after the town council meeting session closed.

Author: Brian D. Hill

Note: We Are Change NC and USWGO is going confront Sen. Berger on July 9th 2012 and have his remarks on video as to why he betrayed his 216+ constituents. 221 signatures are on the petition but 3-5 were found to not be constituents but are still Americans against the NDAA.

A disturbing phone call came from Sara Riggins a Constituent Liaison of the President Pro Tempore's office, NC Senator Phil E. Berger. The phone call details that the senator will take absolutely no action on the [Nullify-NDAA](#) petition.

To make matters worse Sara even redirected me to my U.S. Congressmen when the majority of the U.S. Congress including the Senate openly supported the Indefinite Detention provisions of the NDAA 2012 and 2013 even when a Federal Court in New York has found the provisions to be Unconstitutional.

I still remember and am putting together the pieces of what all was said to me that just shattered any hope in my state government

to take action similar to the Virginian Commonwealth.

Sara Riggins said to me "until there is a companion bill in the senate doing anything is premature," that I should contact my Congressmen and Senators on this issue (WHAT!!!! They were the ones that betrayed the American people by voting in the NDAA), and even said how good having a federal government is even though it also causes problems, and pretty much threw our Bill of Rights and NC Constitution under the Bus. She even acknowledged to me that there were calls and emails heading for his office over my petition supporting it but despite all that it was in vein. I'm the only that that knows this information as his office played dirty by refusing to put out on public record about the senators decision except by notifying me over the phone to which cannot legally be recorded without consent by the other party. This sets up a red flag that he is betraying us and still trying to look good like he cares about the state when in reality he is only in it for the money, power, or both. I asked Sara to put all this in writing and she refused to send me a email about this. This sets off a red flag right there.

All I was asking for was for Senator Phil Berger to support Rep. Glen Bradley's bill H.R. 982 in the states General Assembly and he refused to even acknowledge public support for it which shows what a total scumbag he is.

Let's all head to his office and the Mayodan Town Council meeting on July 9th 2012 and call him what he really is, a sellout and traitor!!!! It's our 1st Amendment right to call him a real traitor!!!

I even spoke with **Rep. Bradley's** staff and one of them told me that they know how the General Assembly works and that most of them are either in it for the money or for the seat there. She says that his bill will never reach the house floor because he is considered too controversial because he cares about the peoples individual liberty, freedom, and the Constitution. She also stated that the representatives won't be able to control their people if they let them have liberty and their Constitutional rights. Her daughter or grand-daughter that was in High School wasn't even taught at her school about the U.S. Constitution or even the State Constitution at all. You would think a public school funded by the Government would teach people about the U.S. Constitution. The staffer at Rep. Bradley's office is planning to move out west after his session has expired.

Also another note I like to add was how she confidently said to me how with things the way they are going America is heading for Nazi Germany and that Rep. Glen Bradley will keep on fighting for Liberty until his dying breath.

My petition has officially been dubbed worthless and Sara Riggins also mentioned about how my petition is still on state records. So now instead of the petition being used to stop the NDAA it will highly likely be used as a target list to go after all whom signed my petition and have them tortured and killed, once my petition is sent to the Department of Homeland Security. I got blisters getting petition signatures myself and so many people counted on me to do my job but I don't control the senate nor the House of Representatives in my state.

We Are Change NC and USWGO will confront Senator Phil Berger on July 9th on his betrayal and get the whole thing on video and will use hidden spy cameras in the event where the police or the senator demands I stop filming him while I ask him a question to which his constituents want to know.

How it's time for the people to decide on whether Sen. Berger shall pay the price for his betrayal and that is voting for his opponent Bobby Coffer in the 26th NC Senate District.

Anyone whom lives in Rockingham County needs to immediately vote for Senator Phil Berger's opponent, Bobby Coffer, and show
